Accountant & Finance Tools Builder | Payroll · Cost Accounting · React

Ndola, Zambia · +260 973 947 575 · caristomulenga99@gmail.com · linkedin.com/in/caristo-mulenga-a5aba5205

PROFILE

Assistant Accountant with hands-on experience running payroll, cost accounting, and financial reconciliation for a 30-employee agribusiness. Builds practical finance tools — payroll dashboards, expense trackers, budget planners — for African SMEs that need clarity, not complexity, using first-hand accounting experience to inform decisions most technical builders miss. Currently pursuing the ZICA Diploma in Accountancy.

CORE SKILLS

Accounting & Finance: Payroll Processing · Cost Accounting · Financial Reconciliation · Sage 50 Pastel · Excel & Data Modeling · Management Reporting

Technical: JavaScript · React · HTML5 & CSS3 · Firebase · Git & GitHub · Problem Solving & Logic Development

EXPERIENCE

Assistant Accountant — Ultimate Farms Limited

Nov 2024 – Present

Ndola, Zambia

- Handled full-cycle accounting — payroll, cost accounting, inventory tracking, and financial reporting — for a 13,500-bird broiler operation.
- Processed monthly payroll for 30 employees, ensuring accurate tax calculations, deductions, and reconciliations.
- Tracked production costs (feed, medication, labour, mortality), improving cost visibility across operations.
- Reconciled financial transactions in Sage 50 Pastel and prepared monthly management reports.
- Built Excel-based cost allocation tools, reducing manual calculation time and improving efficiency.

Secretary — Sharing Cohorts Foundation

Jan 2025 – Present

Ndola, Zambia · Community Charity

- Managed financial records, member registers, treasury reports, and contribution trackers for a 30+ member organization.
- Drafted and distributed meeting minutes, outreach reports, and professional correspondence.
- Produced formal governance documents, including a Constitution and By-Laws, to a professional standard.

Founder & Operator — CayTech Printers

Apr 2022 – May 2023

Chiengi, Zambia

- Launched and scaled a self-funded printing business to 500+ clients within 13 months, with no external funding.
- Managed end-to-end operations — pricing strategy, bookkeeping, procurement, and financial reporting.
- Established cost controls and pricing models to maintain profitability in a competitive local market.
- Closed the business strategically to pursue professional accounting qualifications and long-term career growth.

Service Cashier — Logic-Zone Internet Café

Dec 2023 – Oct 2024

Chingola, Zambia

- Managed daily sales and reconciled POS transactions for 50+ customers per day with zero cash discrepancies.
- Maintained bookkeeping records in Excel and streamlined end-of-day reconciliation processes.

Logistics Assistant — Will and The Dreadz Logistics

Jun 2023 – Nov 2023

Chibombo, Central Province, Zambia

- Coordinated 50+ monthly shipments and managed expense reporting and vendor payments.
- Optimized delivery routes, reducing turnaround time by approximately 10%.

Data Entry Clerk — Chiengi District Hospital

Jan 2022 – Nov 2022

Chiengi, Zambia

- Captured and processed health data with 99.9% accuracy in support of government reporting programs.

Coordinator of Volunteers — Kawambwa District Youth Network

Dec 2018 – May 2021

Kawambwa, Zambia

- Coordinated youth programs and community outreach logistics, and maintained program documentation.

EDUCATION

Diploma in Accountancy — ZICA

Jan 2026 – Dec 2027 (In Progress)

Zambia Institute of Chartered Accountants · Accounting and Business/Management

High School Diploma — Chimpempe Secondary School

Jan 2015 – Dec 2017
