CARISTO MULENGA

Finance Professional | *Front-End Developer* | *ZICA Diploma Candidate* | *Ndola, Zambia*
+260 973 947 575 | caristomulenga99@gmail.com | linkedin.com/in/caristo-mulenga | caristo-dev.github.io/Portfolio

PROFESSIONAL PROFILE

Finance professional with two years' experience as an Assistant Accountant, covering payroll processing (Dove Payroll) and bookkeeping (Sage 50 Pastel), cost accounting, accounts payable and receivable, and HR administration for a farm business with 28 staff. Maintains accurate financial records in Excel, reconciles daily sales, and supports monthly management accounts. Currently studying for the ZICA Diploma in Accountancy. I also build front-end web applications in HTML, CSS and JavaScript.

CORE COMPETENCIES

- Bookkeeping (Sage 50 Pastel)
- Cost Accounting & Daily Sales Reconciliation
- Accounts Payable & Receivable Management
- Data Entry & Verification (DHIS2, Excel)
- Office Administration & Records Management
- Payroll Processing (Dove Payroll)
- Microsoft Excel: Cashbooks, Payroll Sheets
- HR & Administrative Support
- Report Writing & Structured Documentation
- Computer Literacy & Microsoft Office Suite

TECHNICAL SKILLS

Front-end: HTML5, CSS3, JavaScript (ES6+), responsive design. Tools: Git and GitHub, VS Code, Chrome DevTools. Planned, not yet used in shipped work: React, Firebase, Flutter.

WORK EXPERIENCE

Professional Experience

Founder — CayTech Digital Solutions (freelance) *Sep 2026 – Present*
Self-employed | Ndola, Zambia

- Launched a side business in September 2026 offering CV writing, Excel tools, and WhatsApp Business and LinkedIn profile setup.
- Offer CV writing in four tiers, matched to years of experience, with clients ordering through WhatsApp and paying by mobile money.

Assistant Accountant — HR & Administration *Nov 2024 – Oct 2026*
Ultimate Farms Ltd | Ndola, Zambia

- Processed monthly payroll for 28 farm staff using Dove Payroll, calculating PAYE, NAPSA and NHIMA deductions and ensuring accurate and timely salary disbursements each month
- Maintained detailed cost accounting records, daily sales records, and cashbooks in Microsoft Excel, supporting management decision-making with accurate financial data
- Prepared and reconciled accounts payable and receivable, tracking invoices and payments to maintain up-to-date financial records
- Administered HR functions including staff leave records, disciplinary documentation, employment contracts, and personnel files for 28 farm employees
- Supported the preparation of monthly financial reports and management accounts, liaising with the Managing Director on financial performance
- Supervised daily administrative activities for farm staff, ensuring compliance with farm policies and procedures
- Shared responsibility with my manager for preparing company tax returns, handling the returns in some months

Data Entry & Logistics Coordination (from Sep 2023) *Jun – Nov 2023*
Will and The Dreadz Limited | Chibombo, Central Province, Zambia

- Took and processed orders, preparing cost estimates for director approval, and collected weights, volumes, dimensions and distances to plan deliveries
- Helped distribute company brochures district to district, from Chibombo to Chisamba and then Lusaka
- Purchased items in Lusaka for paying clients, supporting the company's early work on new products and services

Data Entry Officer — IRS Malaria Campaign (Paid Contract) *Mar – May 2023*
Chiengi District Health Office | Chiengi, Zambia

- Captured indoor residual spraying (IRS) field data across multiple zones in Chiengi district as part of the national malaria control programme
- Ensured timely and accurate data submission to the district health office, meeting all campaign reporting deadlines
- Coordinated with field spray teams to reconcile data discrepancies and confirm completeness of records before final submission

Founder & Operator — CayTech Printers *Apr 2022 – May 2023*
Chiengi, Luapula Province, Zambia

- Founded and built a t-shirt printing business, completing 500 customer orders for customised prints
- Prepared customer designs for printing using CorelDRAW
- Kept accurate client and order records and client documentation while building the client base
- Generated K8,400 in sales from an initial K2,400 investment in vinyl materials
- Handled budgeting, expense tracking and financial reporting for the business
- Managed operating costs, including premises and machinery rental
- Handled day-to-day administration and correspondence with clients independently

Volunteer Experience

Vice Secretary (Acting Secretary) — Sharing Cohorts Foundation *Jul 2025 – Present*
Sharing Cohorts Foundation | Volunteer

- Produced the organisation's Constitution and By-Laws
- Maintain the organisation's records and document archive, including minutes, the constitution and outreach records, in a shared digital drive accessible to leadership
- Support coordination of outreach activities across Lusaka, Kitwe and Ndola

Data Entry Volunteer — COVID-19 Response *Jan – Nov 2022*
Chiengi District Hospital | Chiengi, Zambia

- Entered and verified patient registration and treatment records into the District Health Information System (DHIS2) during the COVID-19 response period
- Maintained 99.9% data accuracy across daily entries, identifying and correcting discrepancies before submission to the district health management team
- Produced structured written reports summarising daily data entry outputs for review by the hospital's data management officer

Youth Programme Leader & Computer Literacy Trainer *2019 – 2022*
Kawambwa District Youth Network (KDYN) | Kawambwa, Zambia

- Delivered computer literacy training to youth participants covering Microsoft Office, internet use, and basic file management
- Managed programme budgets and expenditure records, and submitted financial accountability reports to the KDYN executive committee

PROJECTS

SplitZK, a live offline-first bill-splitting web app (PWA). NyumbaNi, a property listings prototype running on sample data. Budget Tracker Pro, an Excel personal finance dashboard I use myself. Full details at caristo-dev.github.io/Portfolio.
